

7 April 1947

Mr. John L. Nagle
Deputy Commissioner for
Real Estate Management
Public Buildings Administration
Federal Works Agency
Washington, D. C.

Dear Mr. Nagle:

This is to confirm the verbal request of Mr. [redacted]
of this agency for the installation of accoustical tile in Rooms 7129,
[redacted]
ing. This is part of the space which has been assigned to the Central
Intelligence Group by your office.

The accoustical tiling is required in these rooms because of
the unique nature of the operations of this agency, which requires that
these rooms be sound proof for certain purposes.

The Central Intelligence Group agrees to reimburse the Federal
Works Agency for the cost of performing this work and it is requested
that every possible effort be made to expedite this installation in order
that the move of this agency from the New War Department Building may be
accomplished at an early date.

Sincerely,

[redacted]
Deputy Executive for Personnel
and Administration

Finance - Mr. Saunders
